28. Consent to Magistrate Judge Jurisdiction

In order to insure the just, speedy and inexpensive determination of Section 2254 habeas cases filed in this district, the parties may waive their right to proceed before a district judge and consent to magistrate judge jurisdiction. Upon consent of all the parties under 28 U.S.C. § 636(c) to such jurisdiction, the magistrate judge will conduct all proceedings including the entry of final judgment. The parties are free to withhold consent without adverse substantive consequences.

The Court encourages parties to consent to a magistrate judge as it will likely result in an earlier resolution of this matter. If you request that a district judge be designated to decide dispositive matters, a magistrate judge will nevertheless hear and decide all non-dispositive matters and will hear and issue a recommendation to the district judge as to all dispositive matters.

You may consent to have a magistrate judge conduct any and all further proceedings in this case, including the entry of final judgment, by indicating your consent below.

Choose only one of the following:

☒ Plaintiff consents to magistrate judge jurisdiction as set forth above.

OR

☐ Plaintiff requests that a district judge be designated to decide dispositive matters and trial in this case.

29. Date you are mailing (or handing to a correctional officer) this Petition to this court:

Wherefore, Petitioner prays that the Court grant Petitioner relief to which he may be entitled in this proceeding.
